"Highly Commended" National Club of the Year 2007

PRESS RELEASE

Dateline: 10 April 2008

JESS CONRAD CABARET HIGHLIGHT OF BOWLING CLUB'S WINTER SOCIAL PROGRAMME

On 9th March, a capacity audience at Syston Bowling Club enjoyed a wonderfully entertaining show starring long-time pop-idol, **Jess Conrad**, supported by a great local singer, **Jackie Dee**.

Jackie, whose singing voice was terrific, entertained her audience for the first hour with a fine selection of well-known ballads and entertaining repartee.

Jess Conrad's performance was fantastic. He still has great star quality and professionalism. As expected, he presented a programme of many of the familiar songs from the sixties and seventies including some of his own chart-topping hits, his voice showing no signs of deterioration after all these years. As a surprising addition, he demonstrated a charming gift for wit and humour over and above his renowned, self-indulgent high regard for his own (undoubted) attractions! He certainly proved why he is still a star after all these years.

Many thanks are due to Club Member, **Brian Adams**, for arranging this spectacular show which was a new venture for the Club and the first in what is planned to be a twice-yearly feature of the Club's winter social programme. Based on this early success and with the Club's full support and approval, **Brian** has now arranged for ventriloquist, **Neville King** with "**Old Boy**", to appear on 26th October shortly after the close of this year's playing Season.

For March 2009, **Craig Douglas** has already been booked. Like **Jess Conrad**, he will be supported by singer **Jackie Dee**. Full details in due course. Tickets for the October show are now available on a "first-come" basis. Interested readers should telephone **George Dodge** on 2698923.
